Invitation

Dear sport friends,

we are happy to welcome you in Bratislava again. And this is very special occasion for us, as we are honoured to invite you to the ECA Junior and U23 Canoe Sprint European Championships 2024.

For the first time Bratislava and even Slovakia will host canoe sprint event like this. For us it was big challenge to decide if to go for it, but thanks to two successful Olympic Hopes in 2019 and 2022 and Regatta which we organize every year, we agreed.

We work hard on our venue at Zemník. Since 2016 when the first competitions were organized here it is getting better and bigger. From the flat land without any background, to what we have now was a big step. The most important thing is that we have beautiful water with Olympic course including quality starting system. This is very important for athletes. We have a promise from the Slovak Government and its leading sports institution, that the investment to National Canoe Center and its construction is their priority for next years. That is very promising for our federation. But for now, thanks to what we have done in past years, we are proud that we can provide high quality competition.

We are glad to host Junior and U23 European Championships, as this means we will use and upgrade our knowledge from Junior Regatta and Olympic Hopes, which are both competitions for young athletes. But these ones are very special as the young athletes will be competing for European Champion titles and are one of two most important competitions of the junior and U23 season.

Bratislava has great location for hosting events like this. It lays close to the border of 3 other countries connected by highways. The venue Zemník is easily accessible from the city center and also other sides of the city with good connection from highway. Zemník is surrounded by beautiful nature with cycling path, which makes it accessible also for people preferring active leisure.

We hope you will enjoy your stay in Bratislava with remarking memories and unique experience.

Information about Bratislava

Bratislava is capital city of Slovakia located in the Central Europe. City is well connected with neighbouring capitals and international airports by international highways. Population 520 000. The capital of Slovakia attracts visitors with its rich history and landscape, as well as its modern buildings. Visitors can't miss Bratislava Castle, with its own Historical Museum and surprisingly quaint gardens overlooking the city. Stroll down the picturesque streets of the district under the Castle towards the Old Town, featuring the remarkable St.Martin's Cathedral. This Gothic Cathedral witnessed the coronation of 19 Austro-Hungarian kings and queens, including Maria Theresa, whose importance was felt throughout Europe. The Main Square, extremely rich in historical and cultural monuments, draws visitors in with its charming atmosphere. Here, you can also find several palaces, the Bratislava City Museum, the Old Town Hall, and Roland's Fountain, all serving to enrich the atmosphere. Visit the Primate's Palace, with precious English tapestries from the 17th century and beautiful displays in its Art Gallery. We must mention the nearby Blue Church, an Art Nouveau gem with blue plaster and roof. For sightseeing in Bratislava, you can also hop on the small historical train and explore the entire city, beginning from the Castle and ending in the streets of the Old Town. This train runs throughout the year. On the right bank of the Danube, relax in the oldest public park in Central Europe called Sad Janka Kráľa, which was founded by Maria Theresa. At the end of the park, you will see the suspension Bridge of Slovak National Uprising, whose UFO café offers amazing views of the city's surroundings. Enjoy a trip down the Danube on a sightseeing boat. You can choose from among several different routes, like a cruise around Bratislava, one up to Devín, a cruise on the other side to Gabčíkovo and much more.

Zemník

Canoeing Sport Center is located about 5 km south east from city center.

How to get to the Venue

City is well connected with neighbouring capitals and international airports by international highways.

BY ROAD

Bratislava is situated directly on country borders with Czech Republic, Austria and Hungary. Bratislava is well connected to neighbouring capitals by international multilane highways. Within Slovakia, the D1 motorway connects Bratislava to the east of the country (direction Košice, Krakow), the D2 motorway connects Bratislava with Hungary to the south and the Czech Republic to the north and D4 motorway connects Bratislava with Vienna. Entry to venue is from roundabout (Zuzany Chalupovej Street) exit "Hrádza" and follow signs "Slovenská kanoistika".

BY AIR

If you want to fly to Bratislava, you can choose between the city's own international airport and Schwechat airport in Vienna, which is about 45 km from Bratislava and connected by regular shuttle buses. Regular flights link these airports with many major European destinations.

BY TRAIN

International trains to Bratislava's main railway station run from Vienna (1 hour), Budapest (3 hours), and Prague (4-5 hours) several times a day. There are less frequent direct connections to Berlin, Bucharest, Kiev, Moscow and Warsaw.

The main railway station is a short distance from the centre and there is a good connection to city public transport; alternatively, walking takes 15-20 minutes. Trains from Vienna also arrive at Bratislava–Petržalka Station, which is to the south of the city centre across the Danube River.

BY BOAT

Perhaps the nicest way to arrive in Bratislava is by riverboat, via the Danube. The Rhine–Main–Danube Canal links Bratislava with the North Sea; the Danube River connects it to the Black Sea.

Cruises along the Danube have been a big hit with tourists for many years. River cruises go to and from Budapest, and a scheduled passenger service, the Twin City Liner, connects Bratislava and Vienna by high-speed catamaran several times a day during summer.

Visa Requirements

The Organizing Committee will assist in processing Immigration visa applications for all participants of the Championships.

The visa entitles its holder to enter and stay in the Schengen area for not more than a total of 90 days within a six-month period subsequent to the date of the first entry. This visa may be issued for one or several entries (single entry and multiple entry visa).

Customs Regulations
